State-of-the-Art Products Tailored to Your Practice

About Medicomp

Medicomp is a locally-owned and operated healthcare consulting firm located in Fairfax, VA. Since 1990, our certified in-house consultants and support specialists have provided physicians in the Metro DC area with affordable and reliable automated healthcare solutions tailored to their practice. Our mission is to deliver cost effective Practice Management (PM) and Electronic Health Records (EHR) solutions that will maximize practice efficiency and quality-of-care. Each of our clients will experience local, personalized service from a dedicated and highly experienced team of professionals.

We offer the complete solution—software, hardware, networking, training, support, appointment reminders, remote back-up service and a proven and established billing department.
